

North Pole Peace Grid

May the followers of all religions and spiritual paths work together to create peace among all people on earth.

The World Peace Crystal Grid was placed at the magnetic North Pole on May 3rd 1997 by William Lee Rand. It contains symbols for the major religions of the world including native peoples and independent spiritual paths. Its purpose is to act as a receiver/transmitter of healing energy to promote peace in the world. This location is significant as it is the magnetic North Pole. The magnetic field of the earth flows through it which empowers the Grid at the same time it carries its energy of peace around the planet. Please use this picture to send distant Reiki and prayers to the Peace Grid which will charge it with healing. The Peace Grid is programmed to automatically send peace to crisis situations in the world as well as to create peace among all people on Earth. As you send Reiki to the Peace Grid, you will become part of the group of Peacemakers who are using the Grid to create world peace. Duplicate Peace Grids have been placed at the South Pole, Jerusalem, South field, Michigan and Hana, Hawaii. To learn more go to www.reiki.org.

Reiki Grid

You can use this picture to create a Reiki Grid which will send Reiki continuously to all those whose names or photos you place on the Grid. The Grid is created by placing crystals over the ones in the photo and having a Master crystal to charge the Grid. Please use the instructions for creating a Reiki Grid that you were given in class for Peace Grid. Instructions are also in the Art/Master manual and are on the Free Download page at www.reiki.org
